Information

Our standard lead time for embroidery is 10-14 working days. This may get extended during busy periods.

For new logos, we run a swatch off for approval prior to commencing an order. This is normally completed within 48hrs of order confirmation. The swatch is sent as a photo by email, approval is required within 24 hours to keep your production slot. Stock for orders is required a minimum of 72 hours prior to us commencing with your order, this allows us to bring jobs forward. Ideally, we will receive your stock 24 hours after ordering.
